Mr Barack Obama

Dear Mr Obama,

*"There is nothing more powerful than an idea whose time has come."
(Victor Hugo)*

I watched your speech from Pragh April 5.

Being on the threshold, realizing some of Your promising visions - 'restore and bridge' - I urge You to watch Harold Pinter's 2005 'Nobel Prize For Literature Speech'

If You find time and not already read - there are interviews on the subject Serbia/Kosovo
<http://www.viddler.com/explore/TruthSAYER/videos/1/>

and with Al-Jazeera (by the former CNN's Riz Khan)
<http://www.youtube.com/watch?v=Pv8jKWCzCzw>

and last, but not least, the BBC's Doha debates March 25 from Georgetown University

These 63% for "get tough on Israel" mirror the global voice - probably even higher when it comes to US foreign policy in general.

“ YES YOU CAN ”

and we hope You really dare to leave Your footprints and legacy - for better global understanding and relations.

*"Whenever two ways lie before us, one of which is easy and the other hard, one of which requires no exertion while the other calls for resolution and endurance, happy are the men who chooses the mountain path and scorns the thought of resting in the valley. These are the men and women who are destined in the end to conquer and succeed."
